

for light aircraft FK 9 ELA

1 FK 9 ELA, model 2010, ready to fly with Rotax 912 UL engine (80 hp)

Airframe in a composite-metal mix structure, with a full "carbon-wing" type, including the following standards:

basic instruments: speed indicator, altimeter (5000ft), compass,
slip indicator, oil pressure and oil temp, CHT, rpm indicator, Junkers 3-blade prop.
hydraulic disc brake 6" mainwheel-system with parklock
fiberglass seats with two colour upholstery
seatrests movable in position and angle
oil-inspection door integrated in engine cowl
side-airvents in both cockpit doors
mechanical elevator trim, electrical flap position indicator
60 ltr fuselage fuel tank with electric level indicator and drain vent
electric fuel booster pump and fuel pressure warning
additional pockets on both cockpit sidewalls
electric operated flaps
luggage compartment with external access door
additional aerodynamic fairing-set for wingstrut-nose and intersections
electric multi information display (MID)

euro price (excluding tax) euro price (incl. 22% polish tax) calc.weight:

taildragger configuration "Classic": 270,0 kg

trigear configuration "TG" 272,0 kg

Basic Price MICROLIGHT version: 56.876,00 € 69.388,72 € 0,0 kg

Basic Price US-LSA version: 59.676,00 € 72.804,72 € 0,8 kg

engine options:

2	optional Rotax 912 UL-S (100 hp) with gear-clutch, big size starter	2.838,00 €	3.462,36 €	4,0 kg
3	optional Rotax 912 UL-S FR with gear-clutch, big size starter	2.838,00 €	3.462,36 €	4,0 kg
4	102 hp Mercedes turbocharged engine type smart M160/1 Roadster	848,00 €	1.034,56 €	13,0 kg
5	inox steel exhaust system	625,00 €	762,50 €	0,0 kg
7	3-blade Warp CS high performance climb-propeller	678,00 €	827,16 €	2,0 kg
8	3-blade DUC CS constant speed propeller	432,00 €	527,04 €	1,0 kg

airframe options:

11	formed plexi-front canopy instead of lexan windshield	standard	standard	2,2 kg
12	additional aerodynamic fairing-set for wingstrut-nose and intersections	standard	standard	1,8 kg
16	wheelfairing set	580,00 €	707,60 €	2,5 kg
17	cabin heat system	385,00 €	469,70 €	1,1 kg
18	cabin door lock	69,53 €	84,83 €	0,1 kg
19	glider tow set incl.tow hook, oil thermostat, cowl flap (for Version Rotax 912 UL-S only)	2.132,00 €	2.601,04 €	3,6 kg
20	electric towrope retract system, with fast-disinstallation system, add price to position 19	3.790,00 €	4.623,80 €	3,5 kg
21	one man wing-folding mechanism including wing-fuselage transport support	1.075,00 €	1.311,50 €	2,0 kg
22	movable seatbacks	standard	standard	1,8 kg
23	additional pockets on both cockpit sidewalls	135,00 €	164,70 €	0,3 kg
24	additional cabin-ventilation with 2 individual air vents in front-console	441,00 €	538,02 €	0,3 kg
25	8" Tundratires (only for version "classic", without wheelpants)	207,00 €	252,54 €	1,0 kg
26	fuselage prepared for float attachment (brackets, attachment points)	873,00 €	1.065,06 €	3,0 kg
27	corrosion protection set floatplanes (add. Conservation, stainless hardware in tailsection asf.)	1.747,00 €	2.131,34 €	3,0 kg
28	special 4-point floatplane-harness instead of standard system	174,00 €	212,28 €	1,0 kg
29	optional wingtanks (2x38ltr) 76ltr instead of stand. fuselage tank	950,00 €	1.159,00 €	0,3 kg
30	Amphiboats (Czech Artworks 1150) with retractable landing gear, including installation	13.597,00 €	16.588,34 €	81,0 kg

equipment options:

51	rescue system type BRS6 softpack including installation set	4.460,50 €	5.441,81 €	11,0 kg
53	BRS 1350 LSA parachute system	4.915,10 €	5.996,42 €	14,0 kg
54	two-colour-comfort interior equipment with leather applications (beige & black)	875,00 €	1.067,50 €	0,0 kg
56	windshield protection covering	93,00 €	113,46 €	0,0 kg
60	landing light including installation	326,20 €	397,96 €	0,3 kg
61	position light system with strobelights in wingtips installed	959,00 €	1.169,98 €	1,3 kg
62	UL MIP boardcomputer (instead of rpm indicator)	919,00 €	1.121,18 €	0,3 kg
63	smart-MIP boardcomputer (for engine M160/1, instead of rpm indicator)	919,00 €	1.121,18 €	0,5 kg
64	climb-indicator (80mm,feet/min)	374,00 €	456,28 €	0,2 kg
65	three-pointer altimeter (20.000ft/min) 80mm instead original altimeter	277,00 €	337,94 €	0,3 kg

Com-kit 1:

81	Filser ATR 500 including intercom, 2 Headsets HM100, cable set and installation	1.912,00 €	2.332,64 €	1,2 kg
----	---	------------	------------	--------

Com-kit 2:

82	Filser ATR 600 including intercom, 2 Headsets HM100, cable set and installation	2.369,00 €	2.890,18 €	1,4 kg
----	---	------------	------------	--------

Com-kit 3:

83	Becker AR 420 including intercom, 2 Headsets HM100, cable set and installation	2.729,50 €	3.329,99 €	1,2 kg
----	--	------------	------------	--------

Com-equipment:

84	installation of custom-delivered radios and cable sets	407,00 €	496,54 €	0,0 kg
85	com antenna including fuselage installation	165,00 €	201,30 €	0,4 kg
86	push to talk button in control stick including wiring installation	64,00 €	78,08 €	0,1 kg
87	transponder Filser TRT 800 Mode S, cable set, antenna	2.665,00 €	3.251,30 €	1,1 kg
88	transponder Garrecht VT-01, Mode-S, Class 2, installation kit, Antenna	2.289,00 €	2.792,58 €	0,9 kg
89	mechanical installation of transponder system	143,00 €	174,46 €	0,0 kg
90	wiring and certification class "S" as required in Germany	298,00 €	363,56 €	0,0 kg

Additional equipment:

91	GPS System	on demand	on demand	0,0 kg
92	installation of GPS System	199,80 €	243,76 €	0,0 kg
93	installation of artificial horizon RC Allen	129,78 €	158,33 €	0,0 kg
94	vertical card compass including installation	462,65 €	564,43 €	0,2 kg
95	turn coordinator including installation	605,63 €	738,86 €	1,0 kg

96	UL FAT (consumption,f.-press., level, endurance, voltage usw.) including installation	413,38 €	504,32 €	0,6 kg
97	EFIS System Dynon D10 including standard-wireset and sensors	1.980,00 €	2.415,60 €	1,1 kg
98	EFIS System Dynon D100 including standard-wireset and sensors	2.160,00 €	2.635,20 €	1,2 kg
99	installation / connecting and wiring Dynon EFIS	320,00 €	390,40 €	0,0 kg
100	EMS Dynon 120 including fuel management	2.250,00 €	2.745,00 €	1,0 kg
101	installation / connecting and wiring EMS DYNON 120	480,00 €	585,60 €	0,0 kg
102	Rotax 912 UL reduction gear clutch	590,00 €	719,80 €	2,2 kg
103	additional electric low fuel warning system	203,94 €	248,81 €	0,2 kg
Hanging:				
111	nosewheel (tailwheel) hanging-tow fork	98,78 €	120,51 €	0,0 kg
Others:				
112	special colouration RAL 1023 (other colours on demand)	580,00 €	707,60 €	0,0 kg
113	two colour paintscheme and decoset type <i>AERO</i>	1.184,00 €	1.444,48 €	1,0 kg
114	set of aircraft fixing supports for truck shipping	333,50 €	406,87 €	0,0 kg
115	set of aircraft fixing supports for container shipping (special wood acc. intl. regulations)	450,00 €	549,00 €	0,0 kg
116	packing and loading of aircraft or kit in container/truck	420,00 €	512,40 €	0,0 kg
117	callsign on wing and tail	198,00 €	241,56 €	0,0 kg
118	german registration fee	509,00 €	620,98 €	0,0 kg
